New NYS World Language Standards:

NYSED Updates and Exemplars

After over 30 years, we will have new World Language Standards for NYS. As project investigator for the NYSED Initiative, I will share important updates and exemplars on this exciting news for our profession. This workshop guides participants to design tasks in the three modes of communication and develop specific Can-Do Statements for them, keeping Seal of Biliteracy goals in mind. We will explore Interpretive, Interpersonal, and Presentational mode tasks around a theme, articulated vertically for three levels of student engagement: Novice High, Intermediate Mid, and Intermediate High. Participants receive examples and templates to bring back to their department. Teachers will be invited to complete their exemplar for inclusion on the NYSED website.
